

“I Believe in Jamaica”

The 48th Anniversary Gala held August 7, 2010 at 7pm on the grounds of JCA was very well attended! The Most Honorable Portia Simpson-Miller, the keynote speaker for the event.

Mrs. Simpson-Miller delivered a powerful speech focused on the theme, “I Believe”. She encouraged Jamaican-Canadians to continue investing in Jamaica as it is only through continued support and investment in Jamaica that we can be the best, as we are known around the world. Mrs. Simpson-Miller reinforced that as Jamaicans, we can do any and everything we put our minds to as the ending letters of our nationality emphasizes same, ‘I CAN’, short for ‘JamalCAN’. Her message was well received by the crowd as she received standing ovation and resounding praises and applaud from the audience.

Various Awards were also presented to individuals and an organization for their contribution to JCA. Erma Collins, Alton Telfer and Madge Cameron
